Acknowledgment of Responsibility

The Dexter Cooperative Nursery is run entirely by its members – the parents. We believe this is what makes our school the best early educational experience for your child – and what makes it special. An efficient (and fun!) school requires the cooperation and involvement of all its members in many different capacities. In an effort to avoid confusion and surprises we have compiled the following list of responsibilities and ask that you read them carefully and return this signed form with your first month's tuition.

PARENT ASSIST DAYS: Parents assist in the nursery school classroom on a rotating basis as scheduled by your session representative. You will be assisting approximately two to three times per month. Scheduling requests, baby sitting arrangements, etc. will be considered when the schedules are being developed.

FIELD TRIPS: Parents attend field trips and provide transportation for their child, or make arrangements with another parent who will take responsibility for their child.

JOBS: Each parent is assigned a job to be done throughout the school year. Every attempt will be made to make job assignments based on the preferences specified on the application, but this will not be possible in all cases.

FUND RAISING: Members will fulfill their fund raising obligation set by the Ways and Means Chairperson. The Ways and Means Committee organizes a variety of fund raisers.

GENERAL MEETINGS: Members must attend all general membership meetings. The specific dates will be given to you with your orientation materials. Many important topics are covered at these meetings. If a member cannot attend, it is the member's responsibility to obtain the information covered at these meetings.

HANDBOOK: Dexter Cooperative Nursery School handbook can be found [online](#). Members need to review the material in the handbook, which includes school policies, board member job descriptions, assisting parent responsibilities, fund raising, etc.

TUITION: Members pay September tuition in June. This guarantees your space in the selected class and is non-refundable. May tuition is paid at the parent orientation in September. Remaining tuition payments are due on the first of every month. Payments not received by the 7th of the month will be assessed a \$10.00 late fee.

I HAVE READ THE ABOVE AND AGREE TO FULFILL THE RESPONSIBILITIES OF MEMBERSHIP IN THE DEXTER COOPERATIVE NURSERY.
